Spring Tidings

As 2021 advances and the situation with COVID-19 shows signs of improvement, many of us are looking forward to a bit more freedom of movement in the months ahead. Before too long we will hopefully be able to meet face-to-face with more of our friends, families and neighbours. At Westside Resource Centre the absence of our community groups and classes has been very keenly felt over the past year. In the community and voluntary sector the pandemic has presented some real complications. We know that keeping people apart is one of the solutions in curbing the spread of COVID-19... but we have not forgotten the great benefits in bringing people together. Because of this we are working towards the safe return of community events and activities later this year.

Some of the 'old craic' and banter may have ebbed away but we are encouraging all community groups to keep in touch and to keep going. Let's keep the flag flying and think about how and when we may safely return to normal activities. Initially, it may be that smaller gatherings will be the norm and extra hygiene precautions will continue to be important in keeping the corona virus at bay. The creative use of technology will also play a part. We may see 'mixed meetings' where some people attend in person whilst others take part online. In this way those who are awaiting vaccination, or simply not able to attend in person, will still be able to take part and keep in contact with their friends.

Let's play our part in beating this virus into the background...and make plans for better times ahead.

Irish Emergency Alliance }

The Irish Emergency Alliance is a group of charities who came together in 2020 to save & rebuild lives more quickly in the wake of humanitarian disasters. By pooling their resources, they aim to be more efficient in helping the world's poorest countries. Brian Casey, Executive Director of the Alliance, is based in Westside Resource Centre.

The overseas development agency Trócaire, recently joined the Alliance and Brian welcomed the new member saying, "Trócaire is not only a household name in Ireland but is an Irish aid agency with a world class reputation. With Trócaire on board, the Irish Emergency Alliance will be even better placed to respond to the world's worst disasters to make sure that we are able to reach more people in need and save lives."

The Irish Emergency Alliance is comprised of Action Aid, Christian Aid, Plan International, Self Help Africa (also based in Westside Resource Centre), Tearfund, Trócaire and World Vision Ireland. Between them, these organisations have programmes in 85 different countries, giving the Irish Emergency Alliance the global presence necessary to respond quickly to a crisis. A New Take on the Old Long Walk

Congratulations to our colleagues in the Westside Craft Group who recently made front page news in the Galway City Tribune. The group have unveiled their unique model of the Long Walk in wool at their base in Westside Resource Centre. The unveiling caused quite a stir and the model was featured on Nuacht TG4 along with an interview with some of the members "as Gaeilge". The Crafters have been regular participants in Westside Arts Festival over the years and we look forward to seeing their future creations.

GALWAY CITY
DEVELOPMENT PLAN

Galway City Development Plan – Have Your Say

Galway City Council has commenced a review of the current Galway City Development Plan 2017-2023 and preparation of a new City Development Plan for the period 2023 to 2029.

There are various stages involved in the preparation of a development plan which is a two year process. This current stage is Stage 1 'Pre-Draft' and is the first phase of public consultation and runs until 5th March 2021. Members of the public will have other opportunities to give input to the Plan at various stages.

A New Way to Support Your Local Resource Centre

Over the years, Westside Resource Centre has received occasional donations from various sources. We also sometimes have minor raffles and draws during annual events - such as our Christmas Market - and these provide a fun way for people to support the Centre and to help us in the work that we do.

The Resource Centre is very grateful for the supports that it receives from all across the community and we have now set up a donations page with iDonate.ie This allows people to make a donation to the Centre by going online and is particularly useful at the present time because of COVID-19. We hope that this facility will provide a handy way of supporting the Centre remotely... although we are looking forward to meeting all of our clients and colleagues face to face before 2021 is over.

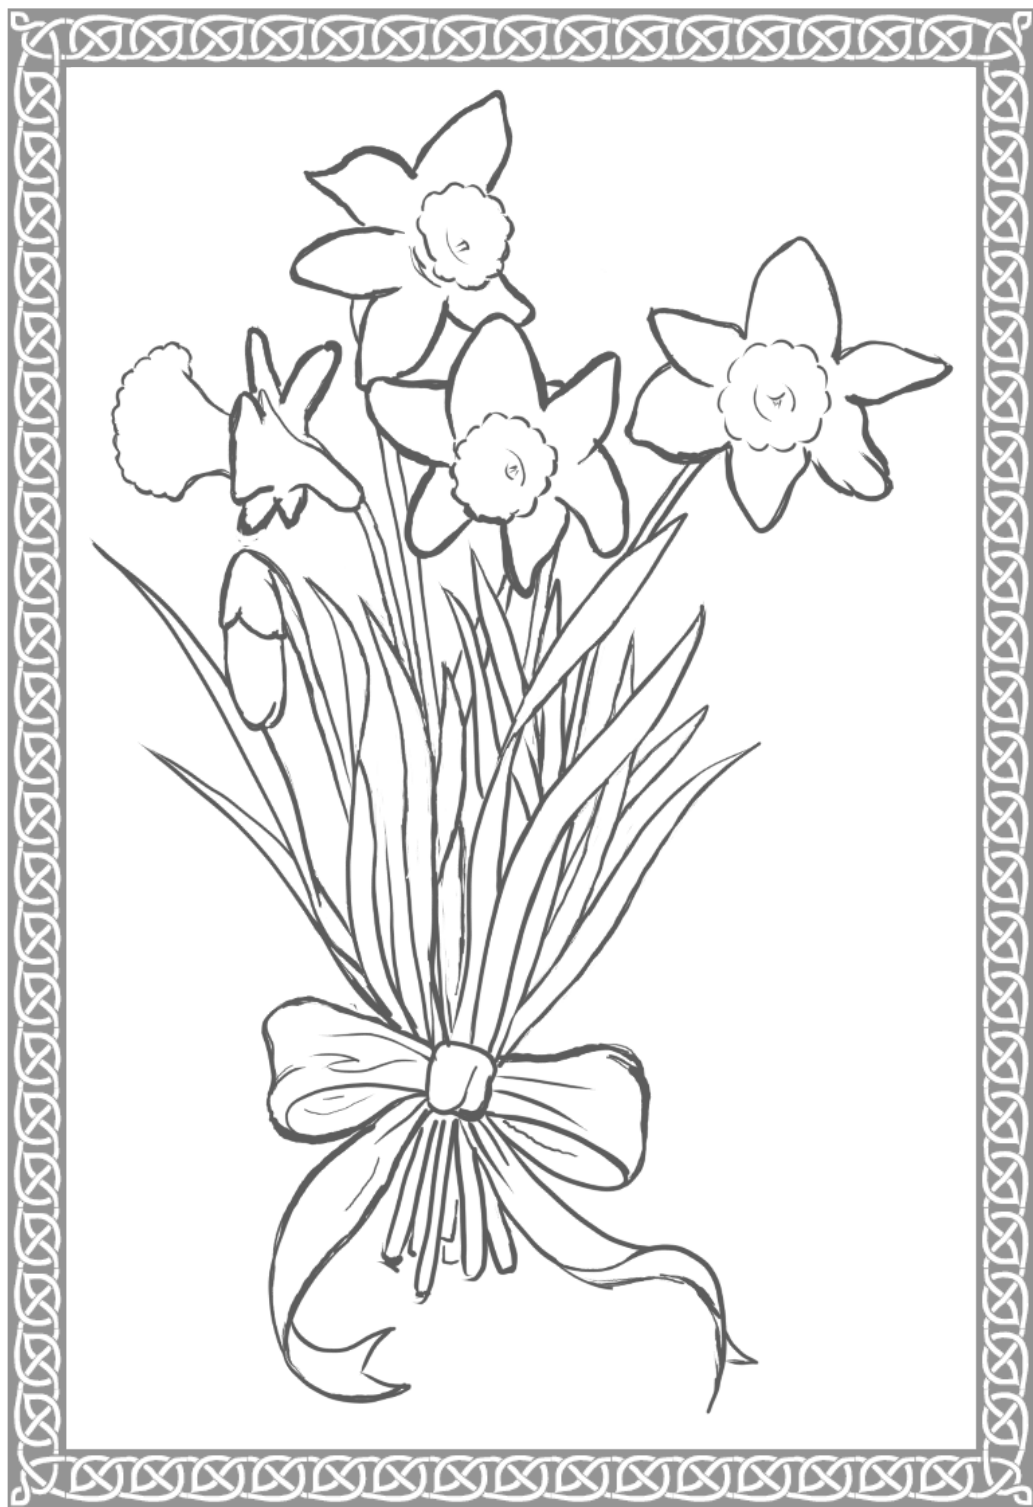

You can access our donation facility by clicking the "Donate" button on our website

<http://www.westsideresourcecentre.ie>

Westside Resource Centre is a charity registered with the Irish Charities Regulator. Registration Number **20034139**. CHY Number **11975**. Thank you for your support.

Mayor's Awards Now Open for Nominations

The annual awards will formally recognise the outstanding contributions that local volunteers, community groups and voluntary organisations have made in supporting the residents of Galway City during the past year. In these unprecedented times, it is even more important to acknowledge those who have volunteered on the front line during the COVID-19 crisis bringing vital supplies, support and comfort to the most vulnerable people in our communities.

Throughout 2020, many people across Galway City have given up their time to support their communities in a range of different ways. Many people have made extraordinary efforts to continue their voluntary commitments they were involved in prior to the onset of the COVID-19 pandemic by making adjustments in a safe and responsible way. Galway City Council wants all who volunteer to know their contribution is appreciated and valued and that volunteering is celebrated for its vital contribution to our society, developing communities as vibrant, inclusive and sustainable places where people want to live.

Closing date for nominations is Friday, 16th April 2021 at 5pm.

People who have disabilities can often experience difficulties in asserting their views and/or securing their rights and entitlements and this can lead to their having limited choices and little control over their lives. The National Advocacy Service for People with Disabilities provides an independent, confidential and free representative advocacy service that works exclusively for the person using the NAS service. NAS Advocates work with each person they support in a person centred and empowering way, to ensure that the person's voice, choices and preferences are heard and considered when their life decisions are being made, and that their rights are safeguarded.

An example of a case recently undertaken by one of our Advocates involved working on the issue of GP charges for routine blood tests. A person contacted NAS after being charged for routine blood tests despite the person having a medical card. The Advocate worked with the person to identify the issue and the possible solutions to addressing it. The person was supported to raise the issue with the HSE Primary Care Unit. The person was notified that they should not be charged for routine blood tests as it is part of their treatment. The person was offered the opportunity to seek reimbursement for fees paid to date.

If you think you, or someone you know would benefit from NAS independent advocacy, the service can be contacted through the national telephone number: 0761 073000 or by email: info@advocacy.ie

Westside Library prepares for new services to the community

Staff in Westside Library are busy preparing for the introduction of new services to the community during the latter half of 2021.

Amongst the numerous initiatives the library will develop and establish a MakerSpace and Creator Studio offering access to 3D technology, robotics, coding and provide guided expert advice in several different Art mediums including pottery, felt making, millinery, textile works and of course art classes, charcoal drawing and painting. These will all be available free of charge.

We ask you to keep an eye on our Facebook page and Social Media accounts and we look forward to working with our community in 2021.

of Culture**

Galway 2020 European Capital of Culture has secured an extension to allow some events to move into April 2021. Level 5 government restrictions in January and February have impacted on cultural events across Ireland including the Galway 2020 programme which has many projects still in progress.

One of the projects, "Giant Steps" tells the story of nine pupils from Scoil Bhríde Primary School in Shantalla in Galway City. The film set out to capture the highs and lows of their final year in primary school; and what a strange and challenging year it turned out to be. For more information and to view the film on Vimeo, go to <https://galway2020.ie/en/event/giant-steps>

Galway City Partnership
Comhairleoireacht Chathair na Gaillimhe

The Social Inclusion and Community Activation Programme (SICAP) 2018-2022 is funded by the Irish Government through the Department of Rural and Community Development and co-funded by the European Social Fund under the Programme for Employment, Inclusion and Learning (PEIL) 2014-2020.

The Department of Children, Equality, Disability, Integration and Youth (DCEDIY) recently relaunched the "Supporting Children" campaign in light of intensified COVID-19

restrictions. The campaign was developed by DCEDIY to support vulnerable children, young people, and their families in challenging times. It was first launched on 19 June 2020 to highlight the range of services and supports in place to meet the needs of vulnerable groups across a range of service areas, from Child Protection and Welfare to Education Support, Parenting and Family Support and others.

The campaign is designed with two purposes: it encourages all of us to look out for vulnerable children whose lives and supports have been severely disrupted during the current pandemic and it also spotlights the "Supporting Children" website

<https://www.gov.ie/en/campaigns/42dcb-supporting-children>

The site points to a wide range of information detailing supports for children, young people and families and will be continuously updated throughout the campaign

Galway Dyspraxia Support Group

The monthly Galway Dyspraxia Support Group coffee meetups at Westside Resource Centre are on hold due to the current restrictions. However, we are still available by phone or email to offer support to families dealing with Dyspraxia/DCD. Please get in touch with us at daigalway@gmail.com and we can answer questions by email or by phone.

Westside Patchwork Group

Although we are unable to meet in person in these strange times, the members of the patchwork club are staying in touch on our WhatsApp group. We do miss our weekly get togethers and chats, but everyone has been keeping very busy. Lots of patchwork gifts were made in the runup to Christmas – sets of placemats, runners, Christmas-tree skirts, cushion covers, Christmas trees, and even some mug rugs! We would like to congratulate our sister club, the Craft Club, on the well-deserved success of their knitting project of the Long Walk – well done Bernie and all the knitters. We look forward to the day we can all meet again, and in the meantime stay safe and keep patching!

Creative Gifts

Westside Resource Centre has a range of creative gifts for sale. Our popular Greeting Card Collection features work by artists in the local community. The cards are ideal for any occasion. A pack of 12 cards costs €10 and they are available at Reception.

Copies of the Westside Writers' Group's recent anthologies are also available from the Resource Centre. Each anthology is a collection of short stories, poems, songs and other writings and the 2021 edition even contains a COVID-19 section which captures in story and verse the reality of the pandemic. The anthologies cost between €10 and €12.50.

We have received a number of original paintings from a very generous anonymous donor. These beautiful artworks comprise a variety of landscapes and seascapes on canvas and board and are priced between €3 and €25, depending on size.

All proceeds from the sale of these creative gifts go to support the work of the Resource Centre, which is a registered charity working to support the local community.
